WORK EXPERIENCE

Teaching & Mentoring

2020 - 2022

I have been teaching and mentoring students since 2020 by teaching in institutes and taking seminars in schools and institutes.

Web Development

Developed a static website for the ED Cell of my college,
Developed 2 more websites for private institutes.

Organizer

Being the President of the Students' Club of my college, Organized 15+ Seminars/Webinars in my College and as a Social activist in Schools and Institutes.

Organized fiestas in college. (Due to all this I have learned and improved myself in Adaptability and Time Management, Team Management and Team Work.)

Volunteering

Volunteered under the umbrella of **KUSHUM EK PRERNA** and **HELPING HAND** NGO as Graphic Designer, PR Member **Event report writer** and Volunteer.

Documentation Skills

I have been working for an NGO earlier as a Report Writer. Also, I work on documentaries and biographies of different people for my social and public page "Struggle Behind".
